The advertisement features a smartphone on the left displaying a map with various emergency icons: a fire, a house, a car, a person, and a warning sign. To the right is the VicEmergency logo, which consists of a stylized blue and red flame above the text "VIC EMERGENCY". Below the logo is the main headline: "Download the new VicEmergency app". At the bottom, there are two buttons: "Download on the App Store" and "GET IT ON Google Play". The background is white with a red and yellow flame-like border at the bottom.

**I will download the

**I can also listen to the radio or TV

**Small fires can turn into large fires.**

**A bushfire is very serious.  
A bushfire can burn people,  
animals and houses.**

**I will see smoke, and feel heat.  
I will ring 000 for help.**

**I will leave the area before the fire comes so I am safe.**

**I will follow my fire plan and call someone in my safety network.**
