

Goldfields Family Centre Services Guide

Long Day Care

We offer a long day care service operating Monday to Friday, 6.45am to 6pm, providing developmental, educational and creative programs that respond to individual children's and group learning needs.

Maternal & Child Health

A free service offered to all families with children from birth to school age. We work with families to promote optimal physical and emotional health, wellbeing and development.

Goldfields Family Centre philosophy

At the Goldfields Family Centre we believe:

- Every child and family is important
- Every child and family is unique
- Every child and family is individual

Kindergarten

Funded kindergarten programs are offered for three and four year old children. Play-based experiences and routine times support learning for each child.

Family Day Care

We offer quality education and care that is based in a home environment, operating within flexible hours. Programs are planned to support educational outcomes for children, from birth to 12 years of age.

Supported Playgroup

Supported Playgroup offers weekly sessions during school terms at varying locations. Sessions include play, snack and group times that focus on building social connection with families and the community.

Goldfields Family Centre is an integrated service for families living in the Central Goldfields Shire.

Services include:

- Maternal & Child Health
- Immunisation
- New Parents Program
- Child Care
- Family Day Care
- Playgroups
- Three & Four Year Old Kindergarten
