- (d) Repair any damage to any equipment, property or asset owned by or under the control of the Council.
- (e) Reimburse the council any costs incurred by it, should the applicant fail to restore the site of the works to the same condition which existed prior to the commencement of work or to repair any damage to equipment, property or asset owned by or under the control of the Council.
- (f) Obey and observe any reasonable direction or demand made by the Council, its servants, or agents in respect to the carrying out of the works.
