Every application must be made on the prescribed form and lodged with the Council. Each application must be signed by the applicant stating the purpose and hours required and containing an undertaking to comply with the conditions of hire.

Cancellations and Tentative Bookings

Cancellation of a booking must be made no less than fourteen days prior to the date of the activity. The Council reserves the right to retain the deposit if a booking is cancelled inside the fourteen-day period.

Tentative bookings will be accepted, but unless confirmed within fourteen days, will have no standing should a firm booking be required by another hirer for the date concerned.

Equipment

It should be noted that some facilities are not fully equipped, and the provision of any additional equipment is the responsibility of the hirer. However, some equipment may be available for hire from other facilities subject to it not being required by that facility.

Conduct

The hirer is responsible for the conduct of patrons and will be held accountable for damage caused by disturbances or mismanagement of any function.

Damage

The facility, including any fittings or furniture, must not be interfered with or in any way damaged. No notices, signs or advertisements of any kind can be erected on any facility or building without prior consent from Council.

The use of pins, blu-tack or like substances, tacks or screws is prohibited for the purpose of affixing decorations. Decorations may only be affixed by string or fishing line, or as otherwise directed by Council. Any damage to Council property should be reported to Council Reception immediately on phone number 5461 0610, to ensure that maintenance is carried out.

Gambling

No game of chance either directly or indirectly where money is passed as a prize can take place at any facility without first obtaining consent from Council.

Liquor

Prior to any function where liquor is to be consumed, the hirer must obtain the relevant licence from the Victorian Commissioner for Gambling and Liquor Regulation (VCGLR). A copy of the licence from the VCGLR must be submitted to Council prior to occupancy of the facility.

Council reserves the right not to accept any bookings where the consumption of liquor is involved, if the Council believes that such activity may be detrimental to the facility.

Electrical Fittings

No alterations or extensions to the electrical fittings will be permitted unless prior notice of work required is given and expressly approved. Only licensed electricians can be engaged to carry out alterations.

The hirer must at the conclusion of each hire, remove all rubbish from the facility and sweep or mop all floors with particular care in any kitchen or toilet areas. Toilets and toilet area need to be clean. A rubbish bin and basic cleaning implements are usually provided.

A penalty charge may occur if the premises are not left in a satisfactory condition.

Limit of Hiring

The hirer is only entitled to use the part or parts of the facility hired and the Council reserves the right to let any other portion of the facility for any other purpose at the same time.

Equipment

The hirer must not allow any equipment, object, furnishings or fittings to be removed from any part of the facility without the approval of Council.

Keys and swipe cards must be returned at the completion of booking.

The Council operates a master key system for all facilities and in the event of a key being lost or not returned, all locks operable by that key will have to be replaced to return complete security. The cost of locks and key replacement will be invoiced to the hirer. Please note that as more than one lock is involved, the cost of replacement may be substantial.
